**Subject:** FW: We'd like to ask some clarification questions re workplan FW: HPNS Technical Team Biweekly Calls

Dear Kim and Pat,

I expect more precisely worded questions to be coming from technical team members. But in the mean time, I wanted to let you know that we'd like to understand better

1. How you are you planning to use the Wilcoxon Rank Sum test?
2. Inputs in calculating number of Cs-137 needed

Thanks!

Dear Kim,

We would like to request time on the agenda tomorrow for several clarification questions on your workplan that are somewhat technical. We can send them to you later in writing.

Lily
